

OVERVIEW

NPA is unique — your representation by the independent professional organization dedicated to its members through dedication to ethics, professionalism, and career and life development.

Listed below are some developments that demonstrate our continued value to the network professional:

- Annual NPA Awards for Professionalism.
- Certified Network Professional (CNP) program – www.CNP.org
- Local chapters.
- Quarterly Newsletter – www.NPA.org
- Job Placement Service - post or find job opportunities – for FREE.
- NPA website updated with current and valued information.
- NPA founding member of Culminis – bringing commercial content to members.
- Sponsor of numerous Conferences and Events.

Listed below are the current benefits:

- peer interaction through local chapters
- opportunity to start a new chapter in your area
- publish through the NPA
- personal and business insurance
- health care discounts
- training discounts from six vendors
- conference event discounts
- access to full working Novell products online
- software and utility discounts
- discounted network related services and books
- legal services
- Culminis provided benefits and programs for NPA members

***You have access to all of these benefits from the members only area of the website.*
